

I Workshop on Applied Statistics and Stochastic Processes (WASSP)

29/11/2023

8:20-8:50	Registration	In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
8:50-9:00	Opening	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
9:00-10:00	Speaker: Prof. Victor Hugo Lachos Title: Modeling informative interval-censoring mechanism in regression models with Student's-t distribution Chair: Profa. Carla Monteiro	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
10:00-10:30	<i>Coffee Break</i>	<i>In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE</i>
10:30-11:00	Speaker: Profa. Javiera Barrera Title: The Role of the Marshall-Olkin Model in Network Reliability Chair: Prof. Thyago Nepomuceno	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
11:00-11:30	Speaker: Profa. Andressa Cerqueira Title: Recovery Communities in Weighted Networks Chair: Profa. Maria do Carmo Soares de Lima	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
-	-	-
13:30-15:00	Speaker: Mikis Stasinopoulos Short course - Elementary GAMLSS Chair: Prof. Francisco Cribari	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
15:00-15:30	<i>Coffee Break</i>	<i>In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE</i>
15:30-17:00	Thematic Session: Stochastic Processes and their applications Chairs: Prof. Alex Dias and Prof. Pablo Martin Rodriguez Speakers: Anatoli Iambartsev - IME/USP, Fabio Prates Machado - IME/USP, Florencia Leonardi - IME/USP, Gustavo Oshiro de Carvalho IME/USP, Jean-Rene Chazottes, CNRS & Ecole Polytechnique (França), Daniel Yasumasa Takahashi - UFRN	Auditorium Prof. Ruy Luis Gomes - DE-UFPE Room 347
	Thematic Session: Mathematics Modelling of Socioeconomic Events Chair: Prof. Thyago Nepomuceno Speakers: Fernando Henrique Taques - Universidad Autónoma de Madrid (Espanha), Victor Diogho Heuer de Carvalho - UFAL, Henrique Pinto dos Santos Zaidan - UFRPE, Thiago Poletto - UFPA, Thyago C. C. Nepomuceno - UFPE	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
17:00-17:40	Poster Session 1	In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE

# I Workshop on Applied Statistics and Stochastic Processes (WASSP)

30/11/2023

9:00-10:00	<p>Speaker: Prof. Hedibert Freitas Lopes            Title: Cutoff-aware BART for Estimating Heterogeneous Treatment Effects in Regression Discontinuity Designs            Chair: Prof. Francisco Cysneiros</p>	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
10:00-10:30	Coffee Break	In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
10:30-11:00	<p>Speakers: Profa. Maria Cristina F. Raposo, Profa. Viviana Giampaoli and Profa. Javiera Barrera            Title: Roundtable: Women in Probability and Statistics            Chair: Profa. Francielle de Lima Medina</p>	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
-	-	
13:30-15:00	<p>Speaker: Mikis Stasinopoulos            Short course - Elementary GAMLSS            Chair: Prof. Francisco Cribari</p>	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
15:00-15:30	Coffee Break	In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
15:30-17:00	<p>Thematic Session: Statistics applied to biologically and socially motivated problems            Chair: Profa. Viviane Oliveira            Speakers: José Fernando Fontanari - IFSC/USP, Mateus Francisco Batista Granha - UFPE, Nathan Lima Pessoa - UFRPE, Paulo Roberto de Araujo Campos - DF/UFPE</p>	Auditorium Prof. Ruy Luis Gomes - DE-UFPE Room 347
	<p>Thematic Session: Recent advances in statistical modeling            Chair: Prof. Aldo Garay            Speakers: Rolando de la Cruz - Universidad Adolfo Ibáñez (Chile), Carlos A. Abanto-Valle (UFRJ), Clécio da Silva Ferreira - UFJF</p>	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
17:00-17:40	Poster Session 2	In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
17:40-18:40	Musical presentation: Forró	CCEN Hall

## I Workshop on Applied Statistics and Stochastic Processes (WASSP)

01/12/2023

9:00-10:00	Speaker: Profa. Daniela Rodriguez Title: A penalization method to estimate the intrinsic 01 Dec dimensionality of data Chair: Profa. Aldo W. Medina Garay	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
10:00-10:30	Coffee Break	In front of the Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
10:30-11:00	Speaker: Prof. Sandro Gallo Title: Limit theorems for the simple parking process Chair: Profa. Caliteia Santana de Sousa	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
11:00-11:30	CLOSING	Auditorium Professor Ricardo de Carvalho Ferreira of CCEN-UFPE
